

# OLEG VEREMYEV

## FRONTEND DEVELOPER

### Personal Qualities:

I like to solve problems and eager to learn cutting-edge technologies. I'm a quick learner, passionate, hard-worker and responsible. I always try to keep myself updated with latest technologies.

### Suggestions for a new job:

I like to work in a dynamic and forward-looking company to grow faster as a professional. I'm ready to work hard to achieve corporate targets of an organization, taking into consideration corporate mission and organization's goals.
